the services and resources in this book reflect the iona community s commitment to the belief that worship is all that we are and all that we do both inside and outside the church with no division into the sacred and the secular the material draws on many traditions including the celtic and aims to help us to be fully present to god in our neighbour in the political and social activity of the world around us and in the very centre and soul of our being

mankind has many conflicting ideas about what god is really like god created the whole material universe by his word and then the word of god emptied himself to become a speck in a tiny part of it why to show people exactly what god would be like if he lived in a limited human body like our own this also allowed him to become a perfect example of how we should live on earth and to pay a just price for the sins of mankind his creation this little book provides a foundation for understanding the character and nature of god showing how god s provision in jesus is very different from what any religion provides this difference is vital for preparing us for all eternity god s way to save us through jesus helps us to grow in true love and cuts through a deadly self righteousness that if god allowed it would even lower the quality of heaven this book was first written for people in south sudan but can help people anywhere who want to find meaning and purpose for their lives on earth

most of us can probably think of a spiritual experience in our life that made a permanent profound impression god reveals his infinite love through our personal experiences too often these stories of spiritual reality are never shared with others when i began praying for spiritual experiences when my parents were very ill i was blessed with a visit from crying angels the first story in my book crying angels inspired the title of my book i felt i should record and share my spiritual stories and the stories i had heard from others i realized that both the teller and the listener s faith in god increases when stories are shared our sharing creates a ripple effect of numerous blessings my hope is that the stories in this book will bless your soul and will help you not miss any of the miracles god places before you sarah v tinsley

jesus introduced the idea of servant leadership and showed us how to do it god requires leaders in his kingdom to lead in this way so that every one of his children can have his or her true needs met this is true on earth but a shortage of servant leadership works against the total fulfillment of his loving design for mankind this will be fulfilled far better in the great eternity that he provides his children he works to prepare his children now for our life in eternity by
